

Title: Come in

Setting: Bedroom

(V runs into room, panicked and out of breath. She slams the door behind her. Look for something to barricade the door with. Runs to a step ladder and jams the door.)

Knock knock knock

C: (in a playful tone) Can I come iiiiiiiiiiiiiiin

(V holds the door, staying as silent as possible)

Knock knock knock (slower)

C: (in a playful tone) Can I come iiiinnnnnnnnnn

V: (quietly under breath and trembling) Go away. Go away.

Knock knock knock (even slower)

(silence... suddenly loud bashing and thrashing at the door)

C: LET ME IN!!! LET ME IN YOU GOD DAMN WORTHLESS BITCH!!!!!!!!!!!!!!

(V shudders and shrinks in fear. A few seconds pass before the door handle rattles and begins to turn. V lunges to grab the handle.)

C: (back to gentle) you know there's nothing you can do, no phone to call for help, no one around to hear you scream. A pity, really. Now be a sweet girl and open up this door. I don't want playtime to end either, but I got other toys that I want to play with. (playfully psychotic laughing) so open, the god, damn, door :D

(V's hands trembling, slowly turns the handle, verly slightly opening the door. A hands jolts from behind the door to grab V's. Cuts to black with screaming)
