**You are expected to document a range of surroundings and environments...**

**Remember to adjust your camera settings**

- ISO /WB / Aperture / Shutter Speed
- Focal Length and type of lens
- Viewpoint and angle

We will be focusing on *man's* impact on the land...

## Expectations

**Ensure you are wearing sturdy walking shoes**

Please do not leave any litter or damage the environment in any way

**When walking around use the gravel paths only...there are many areas that slope off towards the edge of the cliffs so please avoid these**

Walk steadily...no running or jumping / climbing

**Take care on the steps at L'etacq end of the trail**

Be aware of trip hazards and overgrown gorse...please look carefully

**We shouldn't need to use the roads at all...lots of trails to use**

No facilities (toilets etc)...but we may be able to offer a comfort break on the outward and return journey eg Goldsmiths / Les Laveurs Car Park

Grosnez Castle

Battery  
Moltke

MP3 Naval  
Tower
